

SCHOOL PERFORMANCE & WORKSHOP RIDER

PROVIDE TO *YOUNG AUDIENCES MASS* IN ADVANCE

- The name and mobile number of the point-person who will meet us at the school.
- Instructions for locating on-campus venues (exact address of building and room).
- Parking details (lot location, special instructions, where to load-in equipment, etc)
- Any updated details you can give us about who will be in the audience or attending the workshop. How many students, grade levels, special needs, etc.
We provide a customized experience for each age group. See contract for details.

WHAT WE NEED FOR A SUCCESSFUL PERFORMANCE

- A stage area (permanent or temporary) with both front and overhead lighting sufficient to brightly illuminate actors evenly across the depth and breadth of the performing space.
- An audience area with lighting that can be dimmed independently from the stage lights.
- Any temporary staging must be safe, sturdy and capable of withstanding heavily physical activity from at least 5 adults simultaneously (1,500lbs min.).
- Elevated stages must have at least 1 (one) sturdy, easily accessible set of stairs leading from the stage to the audience.
- Stage area must have a working electrical outlet within 10' (ten feet) of Stage Right. Please provide sufficient industrial-grade extension cord for outlets further away. We bring our own all-inclusive audio equipment including amplification.
- Venue must be available for 45-minutes (no students) prior to performance for set-up, sound check and warm-ups.
- For multiple performances, please provide a secure room for locking valuables.
- Please have a school representative introduce us and set audience expectations.
- Faculty should help keep students focused and productive.
- Please provide 4 bottles of water and lunch (for multiple performances).

PERFORMANCE AND WORKSHOP CONTENT

Anti-Bullying Workshops

- Please provide details on any recent or on-going social incidents and concerns to *Young Audiences* in advance. This info is critical to help us customize our show to your school's needs.
- Please let *Young Audiences* know what, if any, anti-bullying measures are currently in place (curriculum, vocabulary, school programs, rules, etc).
